Bachelor of Social Work (Honours)

課程簡介及特色

About the Programme

社會工作(榮譽)學士課程旨在裝備學生在社會服務界成為全面的專業社會工作者。本課程已獲社會工作者註冊局學歷評審認可，畢業生可申請成為註冊社會工作者。此課程是本港唯一於第三及第四年級提供共三次督導實習的社會工作課程。學生需於四年級選取一項社會議題進行研究及撰寫畢業論文，以確保理論與知識融會貫通。課程涵蓋兒童、家庭、青少年、長者及弱能人士的專業知識及技巧。本系針對社會面對日益複雜及新的議題，如隱蔽青年、轉變中的家庭角色及處境、有特殊教育需要的兒童、復康及長者服務的新趨勢等，設計適切課程。

The Bachelor Social Work (BSW) (Hons) programme aims at equipping students to become general practitioners in the social service sector. The programme is validated by the Social Workers Registration Board and students upon graduation will be eligible to apply for Registered Social Worker status. We are the only BSW Programme in Hong Kong offering three fieldwork placements in the 3rd and 4th year. To ensure the integration of knowledge and practice, students, in the 4th year, will conduct a research and complete a thesis on a chosen social theme in Honours Project. This programme covers a wide spectrum of professional knowledge and skills related to supporting children, families, youth, elderly and the disabled. Our curriculum design also covers new emerging social issues like working with hidden youth, families changing roles and landscapes, children with special educational needs and new approaches in the rehabilitation and elderly service fields.
